

## Three stages of interventions

## Stages of Provision

<b>Stage 1:</b>	Quality first teaching is provided for all our pupils on a daily basis and will address the majority of pupils needs.
<b>Stage 2:</b>	<p>This provision is <b>targeted</b> and is <b>additional</b> to what is provided for all children.</p> <p>This is normally in the form of small, group interventions to accelerate progress of learners.</p> <p>Children will be identified through data analysis for these interventions.</p>
<b>Stage 3:</b>	This is <b>targeted and personalised teaching</b> for children who are identified as required additional support. This is where external specialists offer additional advice / support.
